

DOG TRAINING CLASSES

PUPPY CLASS

DESCRIPTION: Build a strong relationship with your puppy based on trust and cooperation. Puppy classes are an indispensable foundation for the rest of your dog's life. All training is gentle and fun, and you will learn how to help your puppy blend into your family. Topics include: Lots of socialization and handling by people, Inappropriate mouthing and biting, Socialization with other dogs, New sights, sounds and experiences, How to play with your puppy, Handling exercises, Basic training - be attentive, "sit," "down," "come," "stay," "leave it," "give," and walking on a leash, How to build a structure in your puppy's life to help them become a happy and well-adjusted adult. Depending on the progression of the class will depend on what may be taught during the class. The first class there will be a discussion about different training tools such as harnesses and martingale collars. Please bring something that you know your dog already likes as this will help in the class. There should be one dog per handler, but the whole family can come train. Every dog in the same family paying for class needs to have their own handler.

WHEN: March 18th - April 15th Saturday Mornings (6 Classes)

BASIC MANNERS CLASS

DESCRIPTION: The focus of this class is to begin to build understanding and communication between dog and owner (guardian) by introducing the concept of positive reinforcement training while learning foundation obedience behaviors including watch me, crate games, sit, down, coming when called, loose leash walking, sit for greeting, wait, leave it and drop it, manner skills, and problem solving. Depending on the progression of the class will depend on what may be taught during the class. The first class there will be a discussion about different training tools such as harnesses and martingale collars. Please bring something that you know your dog already likes as this will help in the class. There should be one dog per handler, but the whole family can come train. Every dog in the same family paying for class needs to have their own handler.
