Our Parks...Our Future!

From the Parks & Recreation Staff:

The Moore Parks & Recreation Department takes great pleasure in presenting to you the Moore Parks and Recreation 2020 Spring-Summer Activity & Events Guide. You will find it a valuable resource for planning some fun in the coming months. Activities abound within the pages of this guide.

This guide details our parks, programming, and events for the Spring and Summer 2020. We have a great many activities, events, and programming planned for the last half of 2020. With the weather getting warmer many of us are wanting to enjoy our favorite parks, trails, and playgrounds. Take advantage of the great park system we are fortunate to have. This year has been a great year so far because of the many things we have seen accomplished for our community. We had a great Fall and Winter at Central Park and The Station. We have a great Spring and Summer planned as well. The many activities and events taking place at Central Park and the recreation center (The Station) are included in this Guide.

On November 6, 2012 the citizens of Moore approved two propositions that are funding significant improvements and upgrades to our parks and facilities. The propositions were called the Our Parks...Our Future program. We strongly believe that our parks are our future. We have completed those improvements. In the last 5 years we have invested over $34 million of voter-approved tax dollars in our park system. We feel that the Our Parks...Our Future projects have enabled us to build the best park system in Oklahoma! The greatest of these improvements, Central Park, is in its fourth year of operation. This destination park is home to a recreation center, aquatic center, amphitheater, multi-purpose pavilion, and a multi-purpose trail. What a success it has been! Our programming has been wildly successful. We have even more new and exciting programs coming this Spring and Summer.

On November 8, 2016 the citizens of Moore overwhelmingly approved an extension of a dedicated sales tax (.25%) that was originally approved in 2012. 50% of the funding will go to parks over the next 5-7 years. The remaining 50% will go to a new Fire station and fire training center. A list of some of the projects are included in this Guide (page 5). We called the plan for the extended 1/4 cent sales tax Continuing Our Success. It is our belief that the projects associated with this extended, dedicated sales tax will continue our success!

This Guide has a section dedicated to Central Park and the many activities and events taking place in the park. This section has details on planned programming, fee and pass information, and events that will take place at The Station and Central Park. We are excited to have Central Park and The Station in our park system. We look forward to seeing you there! As our motto states “Come for Fitness and Stay for Fun!”

As always, let us know how we are doing! Please feel free to call or email us and let us know how we can improve service to the community. You are always welcome to contact us at cvillani@cityofmoore.com or at (405) 793-5090. Also, please visit www.cityofmoore.com/fun to see a complete list of our activities, programs, and events. You can register online for many of the programs at that address as well. If you want to find out information about Central Park and/or The Station please visit www.cityofmoore.com/centralpark.

We hope you will take time to enjoy one or more of the programs or parks available to you and your family. There is always something fun at Moore Parks and Recreation.

Nutrition Classes at The Station

Have you ever wondered how many calories you should be consuming, or what the difference is between a macro and a micro nutrient? Are you curious as to how nutrition will play a role in losing weight or helping control diabetes? This monthly class can answer all of those questions and more! Join a Registered Dietician and learn the basics about nutrition. In this free class, you will learn about the fundamentals of a healthy diet, gain some insight into how you can change what you consume to meet your goals, and have the opportunity to ask the Registered Dietician any question you might have.

WHEN: Last Wednesday of each month, starting January 29th
WHERE: The Station Meeting Room #2 at 6 p.m.
FEE: Free to passholders. Station Day pass fee for non-passholders (see Front Desk)
INSTRUCTOR: Angelica Martinez MS, RDN/LD

This 55 minute class is packed with entertaining music, foundational fitness moves, and fun games. Fit Kids will get your child moving and learning the importance of making healthy choices all while having fun! For ages 7 to 12 years. Parents are welcome to stay.

AGE: 7 years to 12 years
LOCATION: The Station Basketball Gym-Court 4
DAY/TIME: Wednesday at 5:00pm (55 minutes)
COST: Free for passholders; Day pass fee for non-passholders

Sports Performance Classes

Sports performance classes are designed to help athletes gain an edge over the competition. These classes will help athletes enhance their balance, coordination, speed, agility, flexibility, and overall performance on and off the field of play. Sports performance classes will help those who want to be a better all-around athlete for any sport by making movements more efficient and by working on joint stability along with all other facets of athleticism. Athletes will not only perform better while playing but sports conditioning has been proven to prevent or decrease injuries and create a more well-rounded athlete.

Ages 10-12 · Wednesdays 4:30 p.m.
Ages 13-15 · Mondays 4:30 p.m.

Prices vary by age and options chosen. Contact 793-5090 for details.

Moore’s Brand Senior Citizen Center is located at 501 E. Main. Activities at the Center include cards, dominoes, quilting, billiards, ceramics, art lessons, woodcarving, and various crafts. There are also programs on nutrition as well as health checks for hearing, blood pressure, and blood and sugar screenings. Legal aid representatives and speakers from other professional groups speak to our seniors. Aging Services Inc., operates a congregate meal program at the Center as well.

A transportation bus owned and operated by the Moore Council on Aging (MCOA) provides rides for senior citizens from their addresses in the Moore city limits to the Center. This service also serves seniors with transportation to banks, stores, the library, doctor’s offices, and other places within the city.

In 1977, a group of senior citizens, incorporated under the name of the Moore Council on Aging (MCOA), began meeting in a converted dwelling owned by the City of Moore. As the group grew in numbers, they were able to obtain the use of a larger facility owned by a private corporation.

The Council on Aging began a project to raise funds for a new facility. Land was donated to the MCOA for the project, and the MCOA and the City of Moore worked together to meet qualifications for a grant. In 1993, sufficient funds had been raised for the MCOA’s portion of the project cost. Title of the property was transferred to the City, and construction began. On February 22, 1994, the MCOA moved into its new home. Under an agreement with the City, the MCOA is the principal user of the facility, which is owned and maintained by the City of Moore.

In 2013 approximately 2,250 square feet was added to the center. The expansion included rooms for billiards, dominoes, quilting and a computer room. The expansion was partially funded by the ¼ cent sales tax approved by the voters of Moore in 2012.

Want your kids to have the absolute best summer they have ever had? If the answer is yes then you need to sign them up for The City of Moore’s Oasis Summer Day Camp. The Oasis Summer Day Camp will be from June 1st - August 7th. It will be every Monday-Friday from 7am – 6pm. Kids will get to learn, play games, participate in arts & crafts, and meet new friends at the Oasis Summer Day Camp. Kids will also get to go on awesome field trips once a week and we will go to the Station Aquatic Center once a week as well.

Some of the field trips we will go on include Hey Day, Warren Theatre, Oklahoma City Zoo, and The Oklahoma City Science Museum to name just a few. The field trips and the trips to The Station Aquatic Center are also provided in the cost per week. Snacks will be provided every day for no additional cost. Kids will need to provide their own sack lunch every day and bring a swimsuit, towel and/or change of clothes on the days we will be going to the Aquatic Center at The Station.

Registration is per week but you can also sign up for the entire summer as well. The City of Moore’s Oasis Summer Day Camp and its staff are under American Camping Association standard guidelines.

For more information please call Moore Parks and Recreation at (405) 793-5090.
